A REPORT ON PLANTATION BY GRAMEENA BANK MANAGER 2019-2020

Saving the environment is the primary responsibility of every citizen of the country. The only solution to prevent destruction of environment is plantation of as many trees as possible. In an effort to accomplish this task, a massive plantation programme was organized by the NSS and NCC units of the College on 19-7-2019. The NSS and NCC units were instructed to participate actively in the programme. The local branch of Andhra Pragathi Grameena Bank extended it's support to the programme. The Bank Manager Mr._RAMA RAO participated in the programme. Hundreds of saplings were planted. It was firmly resolved to safe guard the environment. The Principal of the College Dr. G. Sreenivasulu addressed the students and other participants in the program

TRIRANGA RALLY (REPUBLIC DAY) 2019-2020

Thousands of patients are dying every year due to non-availability of suitable blood at the needy hour. The College and the Management wants to play it's role by organizing a blood donation camp on the campus, with an aim of providing blood to the needy so as to prevent deaths at least to some extent. A blood donation camp was organized by Red Ribbon Club of our College, under the egis of Red Cross Society on 20-2-2020. Around 100 units of blood was collected from the students, staff and other participants. The donors were made aware of benefits of donating blood regularly. The officials from Red Cross Society participated in the programme. The Principal of the College, Dr. G. Sreenivasulu, encouraged and appreciated the donors.
